Pastor Mario

This short week we were blessed to have TWO chapels with Pastor Mario! Normally, we only have chapel each Friday morning, however Pastor Mario helped us to start the school year off right with a chapel on both Wednesday and Friday mornings.

Work Bee Coming

Keep watching for news of the rescheduled work bee. As soon as we have a firm date, we'll let you know!

New Theme Song

Our new theme song for this school year is "Because He Lives". The students will be learning this in class for worship as well as singing it together as a school in chapel. Follow the link below to hear our favorite version

Playground

Our playground has become a work in progress, however that hasn't stopped the students from making great use of their recess time! Thank you to Thomas Stone and his crew for working hard before school started to prepare the cement for the ball bouncing, jump roping and basket balling that has taken place this week!
